

# TRAVEL CASE COUNTER INSTALLATION

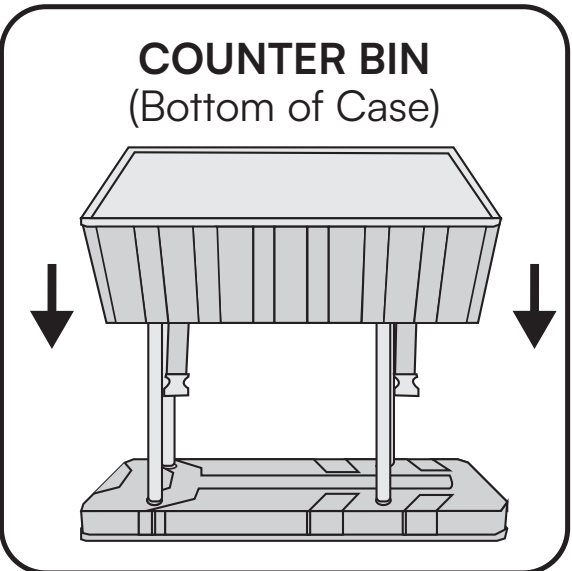

- 1 Separate top and bottom.  
Remove all inside content.

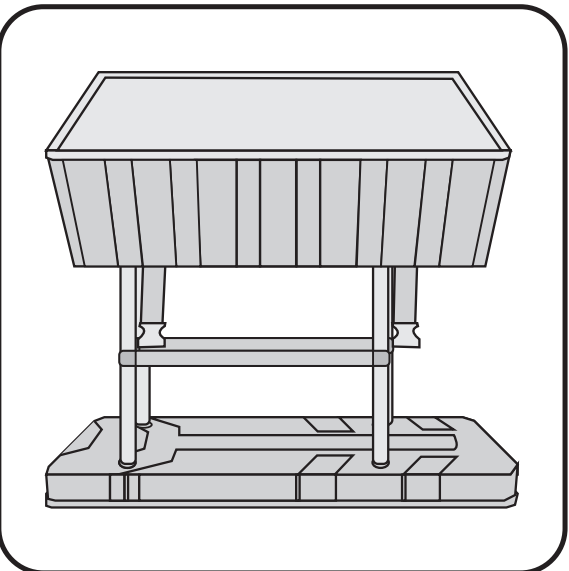

- 2 Insert (4) poles into base.

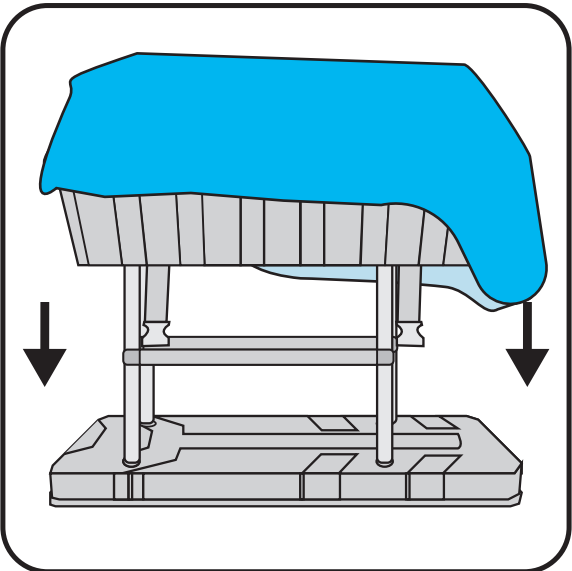

- 3 Align and insert poles into bin.

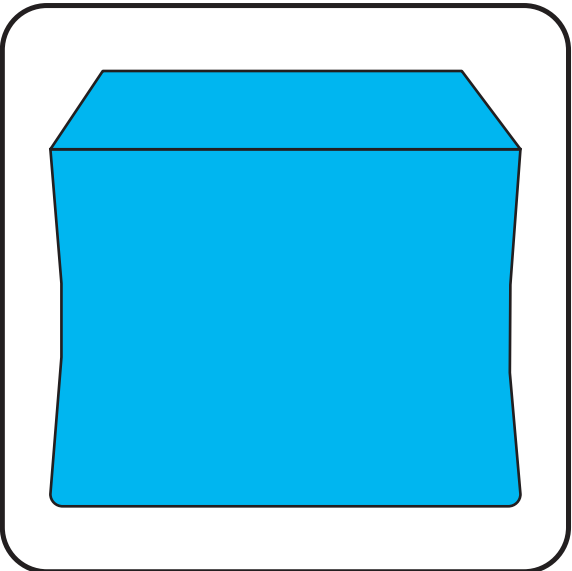

- 4 If included, clamp support bars to vertical poles.

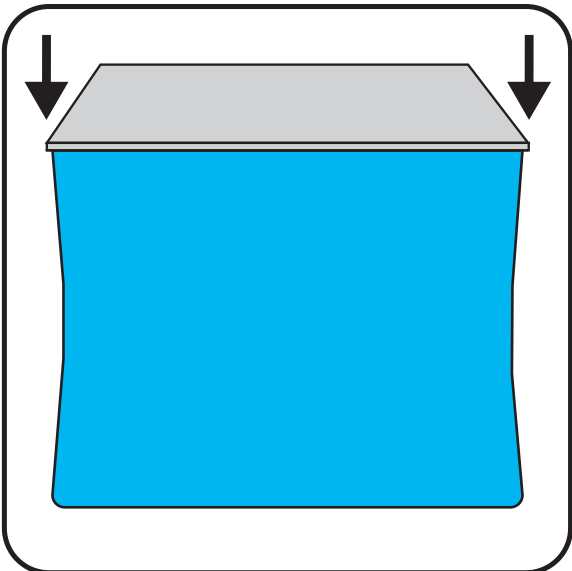

- 5 Pull cover over the assembled counter.

- 6 Adjust cover until desired alignment and fit.

- 7 Add counter top by aligning groove with lip of the top.

\*NOTE: Lip will be covered by the fabric.
